Your Home CAN Survive a Wildfire! FEMA Grants Can Help with the Costs

Come Find Out How! August 20th

Join us for an informative and educational evening sponsored by Firesafe Sonoma, our local CWPP (Community Wildfire Protection Plan) and Friends of the Mark West Watershed (FMWW).

You will learn valuable information including:

- Proven methods to create defensible space around your home
- How you can qualify for FEMA COST SHARE grants that will pay for home hardening and developing defensible space on YOUR property
